Combating Trafficking in Persons Across the Globe

VIRTUAL STUDENT FEDERAL SERVICE

VSFS

Project Title	Combating Trafficking in Persons Across the Globe
Project Summary	Assist USAID's Counter Trafficking in Persons (C-TIP) team helping address TIP issues across the globe. This will include assistance with requests from the field and interagency, events, outreach, data collection and other tasks that come up.
Country	United States

Project Description

USAID's Counter Trafficking in Persons (C-TIP) team sits on the Democracy, Human Rights, and Governance (DRG) Center's Human Rights Team, and is the Agency's focal point for all C-TIP related activities. The C-TIP team spends a lot of time representing USAID with the interagency and but also responding to USAID's missions in the field who carry out the bulk of C-TIP programming.

The team is in need of assistance on a range of activities to include some of the below::
Virtual help with event logistics and preparation
C-TIP research
Organizing the C-TIP google file
Drafting/editing taksers, talking points, etc.
Report writing
Data visualization with Tableau to organize C-TIP data and activities
Other tasks as they come up throughout the year

The ideal VSFS eIntern candidate will have a demonstrated interest in development and C-TIP programming, experience with research and data visualization, professional flexibility, and a self-motivated work ethic.
